163601 Lyme, Line Blot, Serum

Test:

006483 Toxoplasma gondii Ab,IgG

"The CPT code(s) listed are in accordance with the current edition of Current Procedural Terminology, a publication of the American Medical Association. CPT codes are provided here for the convenience of our clients; however, correct coding often varies from one carrier to another. Consequently, the codes presented here are intended as general guidelines and should not be used without confirming with the appropriate payor that their use is appropriate in each case."
